

Things you should know about

The Memorial Mission...

A commemorative Memorial bookplate will be placed in the front of the book listing both the Honoree and Donor.

A decorative sticker will be placed on the spine of the book to set the book apart on the library shelf.

A keepsake bookmark will be mailed to the family of the honoree to tell them of your thoughtfulness.

A thank-you note from the library will be mailed to the donor.

The new memorial book will be held at the library desk for two weeks, so the family of the honoree and donor may see it first.

Your library will be enriched by your generous donation.

The memorial book serves as a living tribute to the respected individual, and aides the community for years to come.

Want to remember someone special?

*Come to the library,
let us help you never forget.*

*A contribution to the Library is a
meaningful way the memory
of a loved one can be preserved.*

Those we love we never lose,
For always they will be,
Loved, remembered, treasured,
Always in our memory.
